

Filming at airports and aerodromes in the Balearic Islands

Application for the use of different Aena spaces

Before applying for a filming permit, it should be noted that Aena controls a total of **four different spaces** in the Balearic Islands:

1. Palma Airport
2. Son Bonet Aerodrome (in Marratxí)
3. Ibiza Airport
4. Menorca Airport

To begin the application process, the interested party must contact the airport to confirm availability. The following information **must be submitted** initially:

- General details of the project.
- Dates.
- Specific filming locations.

Based on the nature of the application, the airport will inform the interested party of the **requirements** and necessary **documentation**, depending on the type of filming and the areas used.

Moreover, Aena recommends that applications be submitted **well in advance** to ensure that all filming permits can be processed in time.

Rates will vary depending on the duration of the filming and the areas used. As such, Aena will be able to provide a detailed list of rates once the initial application has been received.

You can also consult the [service rates guide](#) on the Aena website. A document that, in **section 5.6**, provides information on film shoots as well as advertising and photographic reports.
