

Surveillance actions on public roads

Through the Government
Delegation in the Balearic Islands

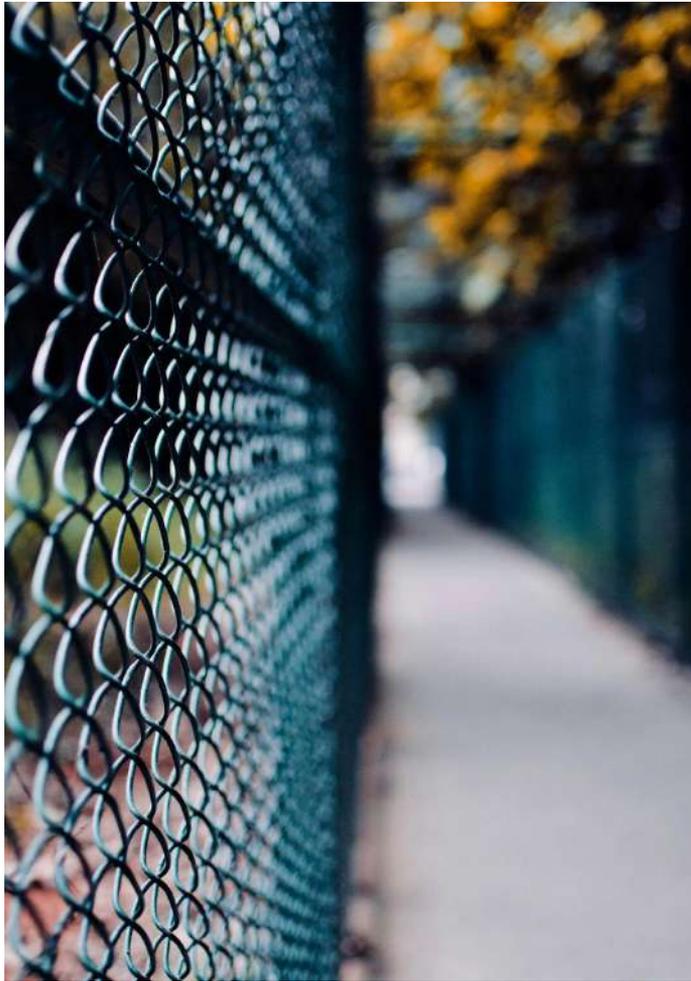

With regard to **Private Security**, the following surveillance and protection services will require a prior permit:

- Surveillance in industrial estates and in delimited residential areas, including their roads and common areas.
- Surveillance in delimited commercial and leisure complexes or parks.
- Surveillance at cultural and sporting events or any other event of social relevance that takes place on public roads or in public or common areas, always in coordination with the security forces.
- Surveillance and protection in enclosed areas and open spaces that are delimited.

Security companies are usually responsible for submitting this application. However, production companies can also submit it directly.

What information must the application include?

- Applicant entity.
- Justification of the need to contract the surveillance service provided by a private security company.
- The security company to be contracted, the services to be provided, number of security guards (position/location), days and hours of service (not staff roster).
- Event at which the service will be provided.
- The specific location where the service will be provided (public road, delimited areas, official names of streets, squares or other public spaces and maps).

Important: there is no set format for the documents comprising the application.

How is this application submitted?

- By writing to the Government Delegate in the Balearic Islands via the [general electronic registry](#).
- To locate the destination agency, enter the following code: "EA0040621 - Delegación del Gobierno en Illes Balears - S.Gral".
